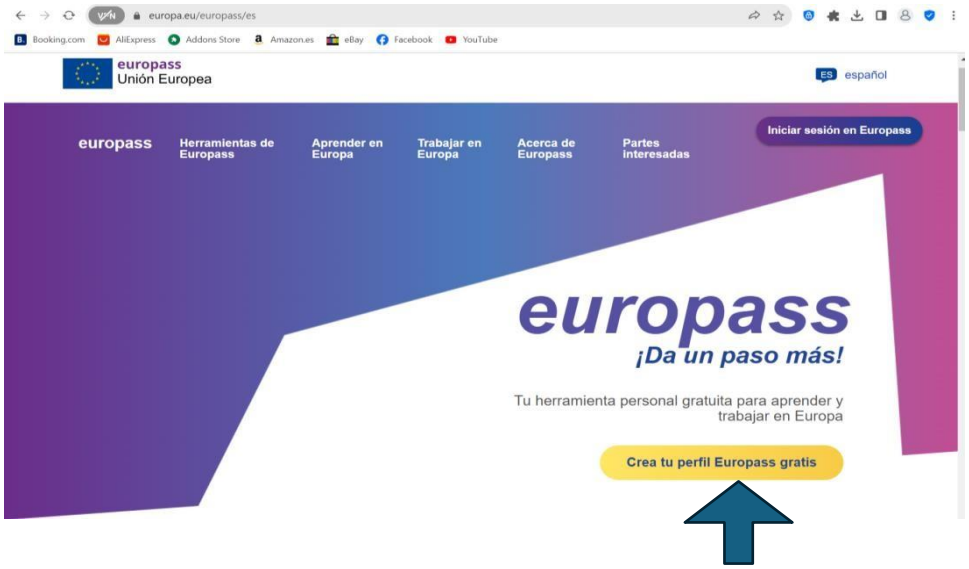
IPGS_03 FINAL TASK

First, read all the task carefully. Follow the following steps to complete this unit's final task. You will have to write a CV and a Cover Letter using EUROPASS, the EU's official webpage.

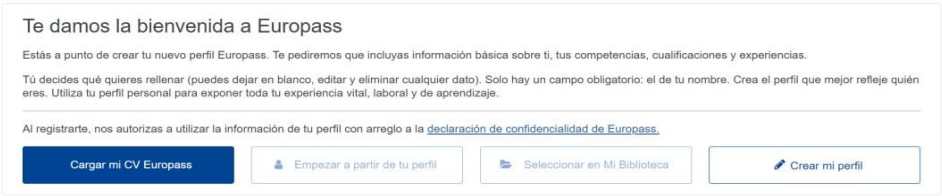
CREATING A CV WITH EUROPASS

1.- Go to https://europa.eu/europass/es

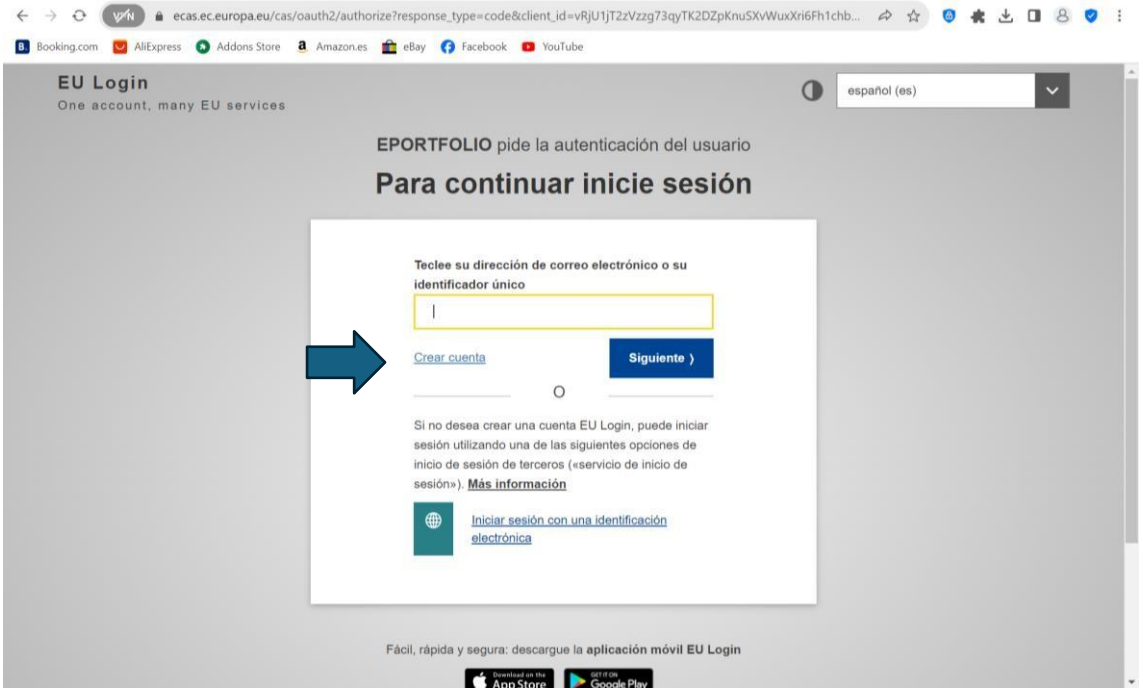


2.- Click "Crea tu perfil Europass gratis"

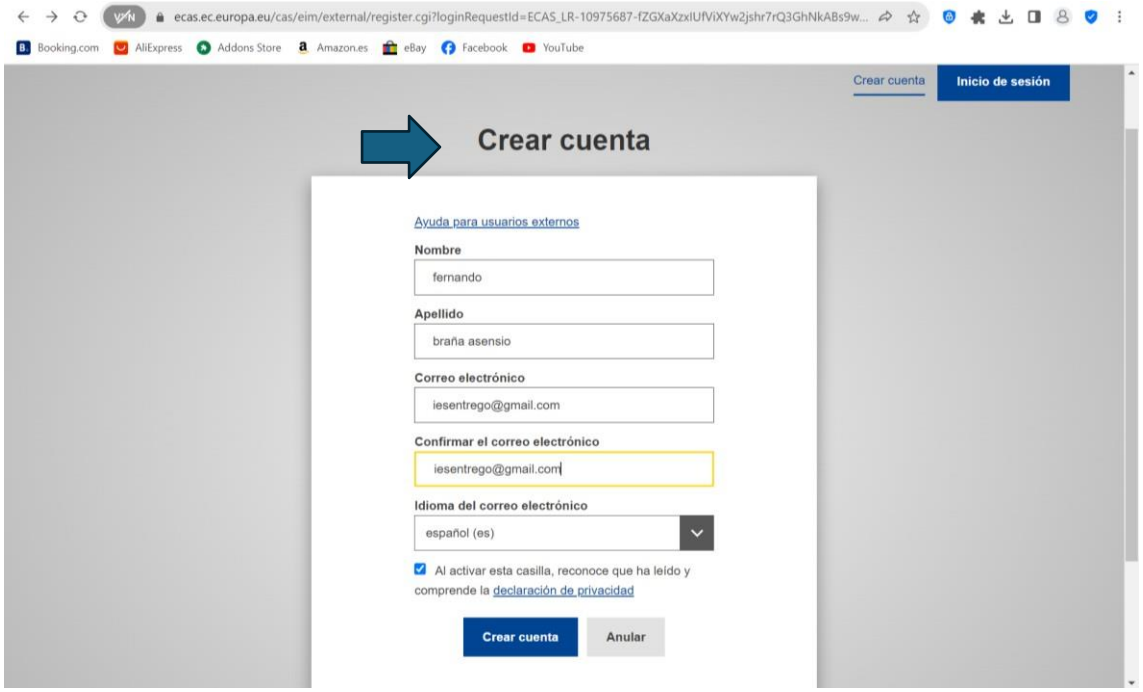
3.- You will see this screen. Click "Iniciar sesión/Registrarse"



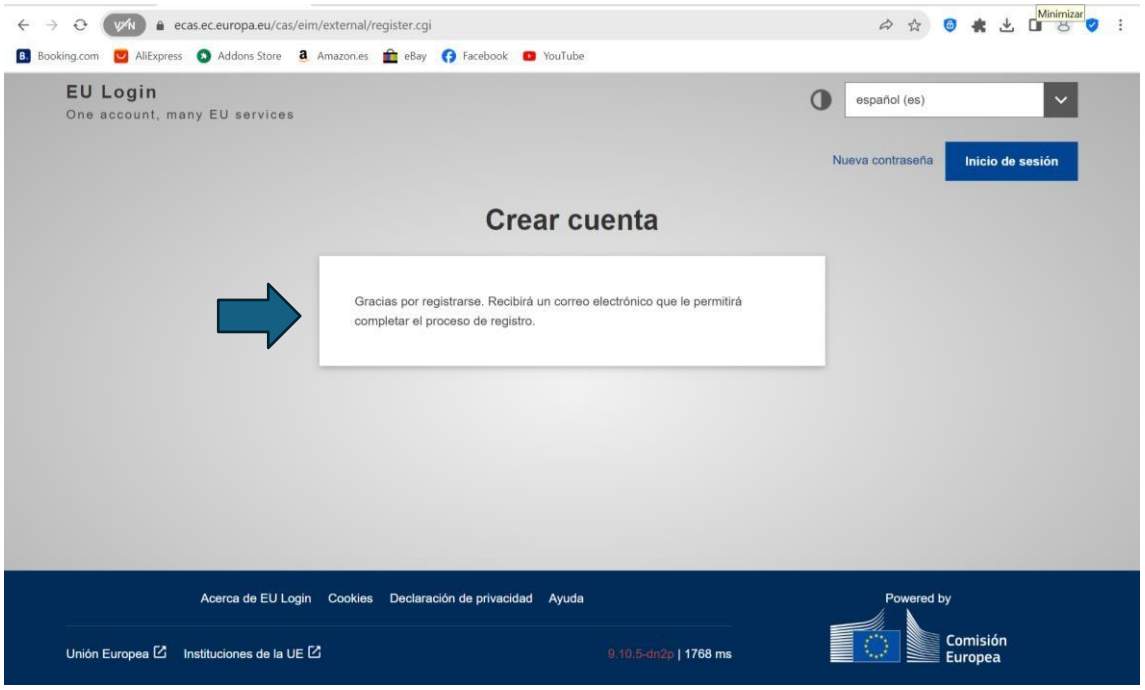
4.- Click “Crear cuenta”



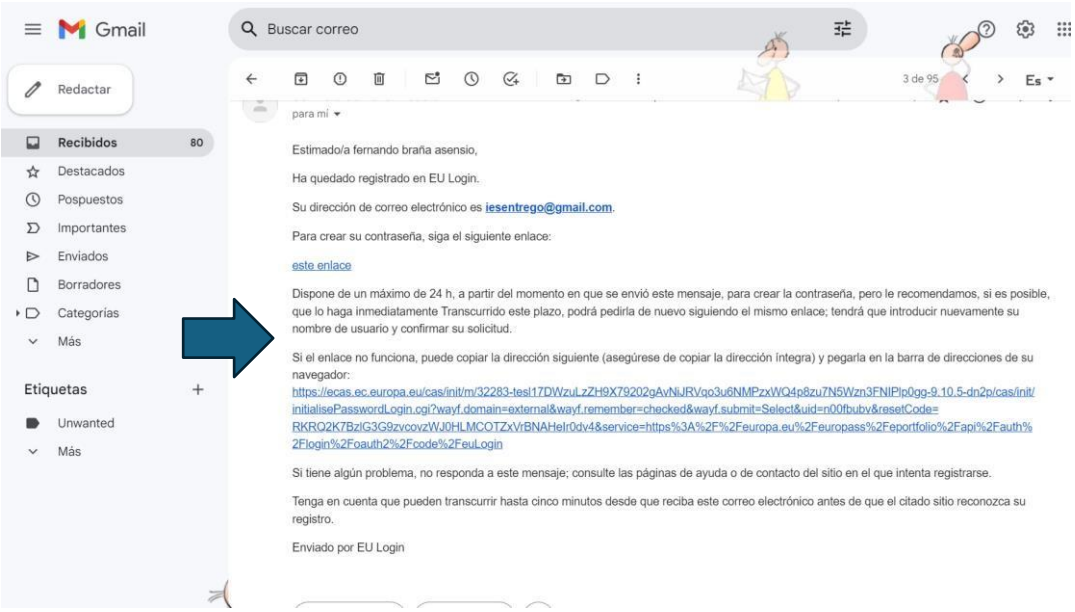
5.- Create your account



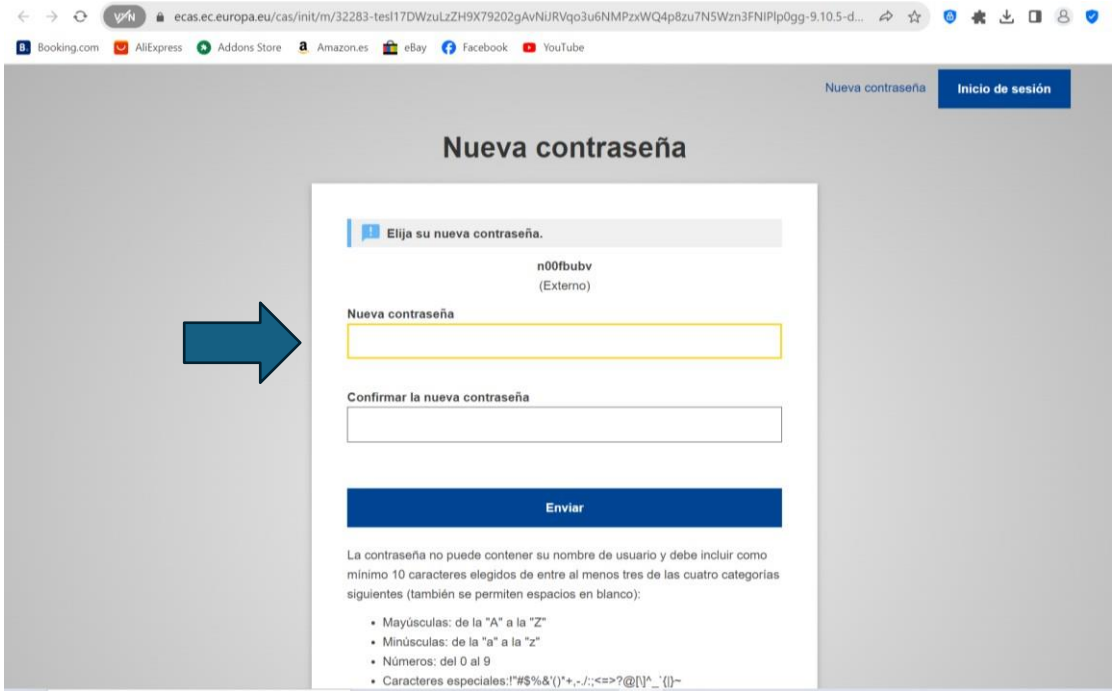
6.- Check mail to complete the process



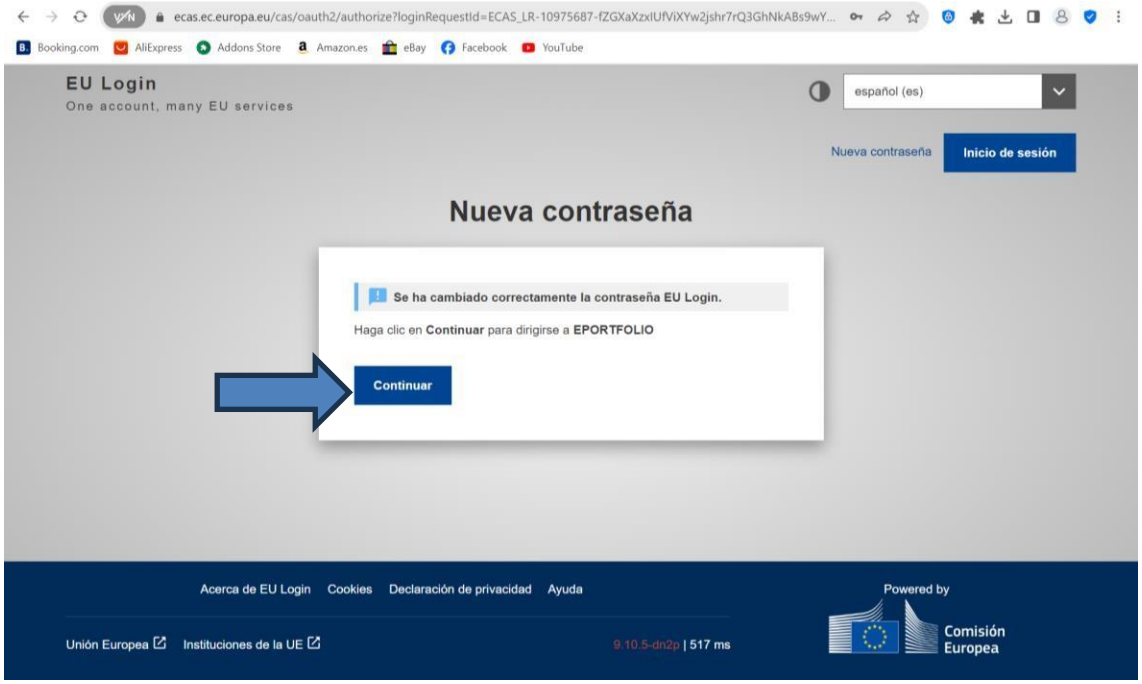
7.- Create your passsword by clicking on “este enlace”



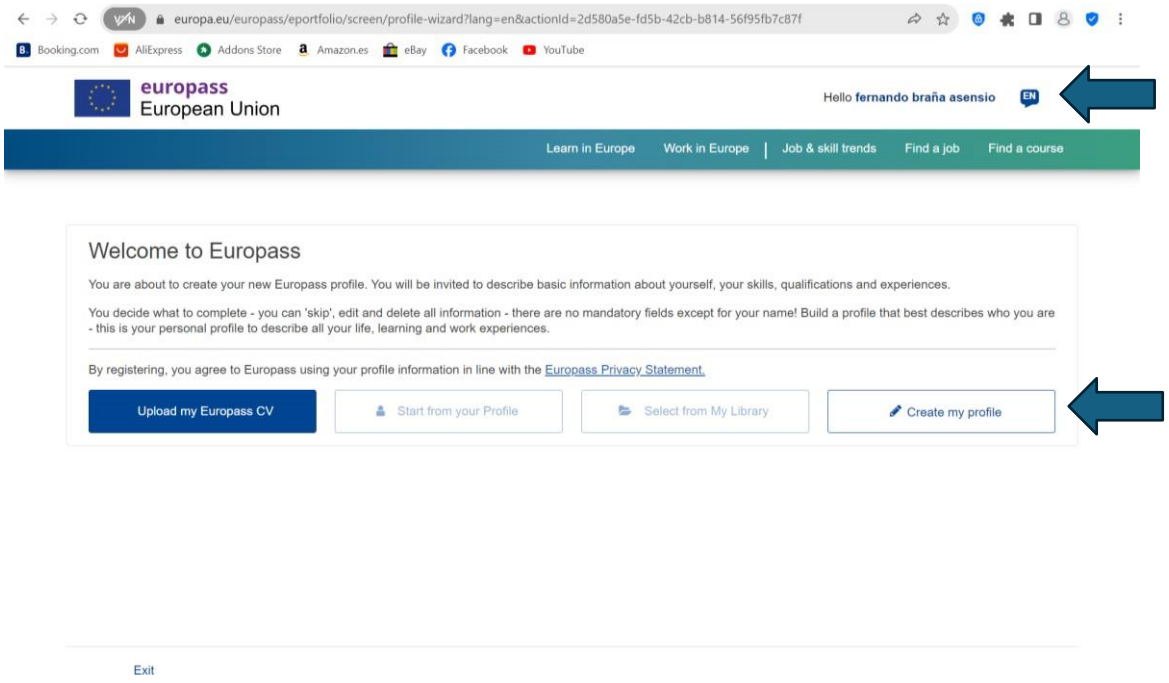
8.- Create password



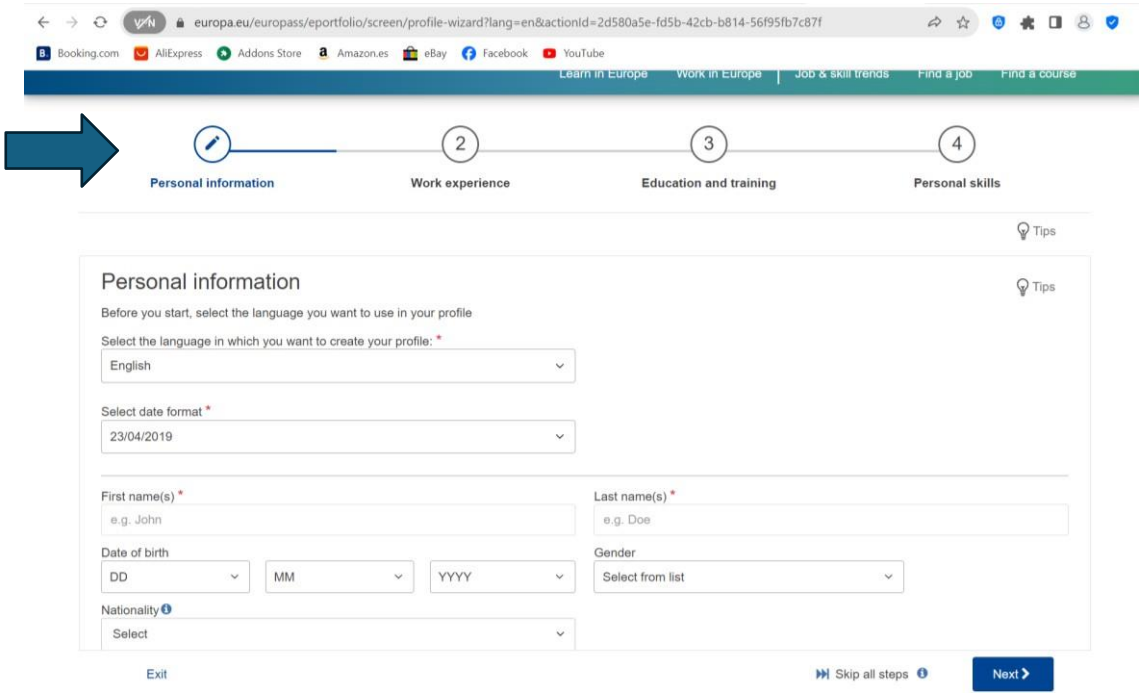
9.- Once your new password has been created click on “Continuar”



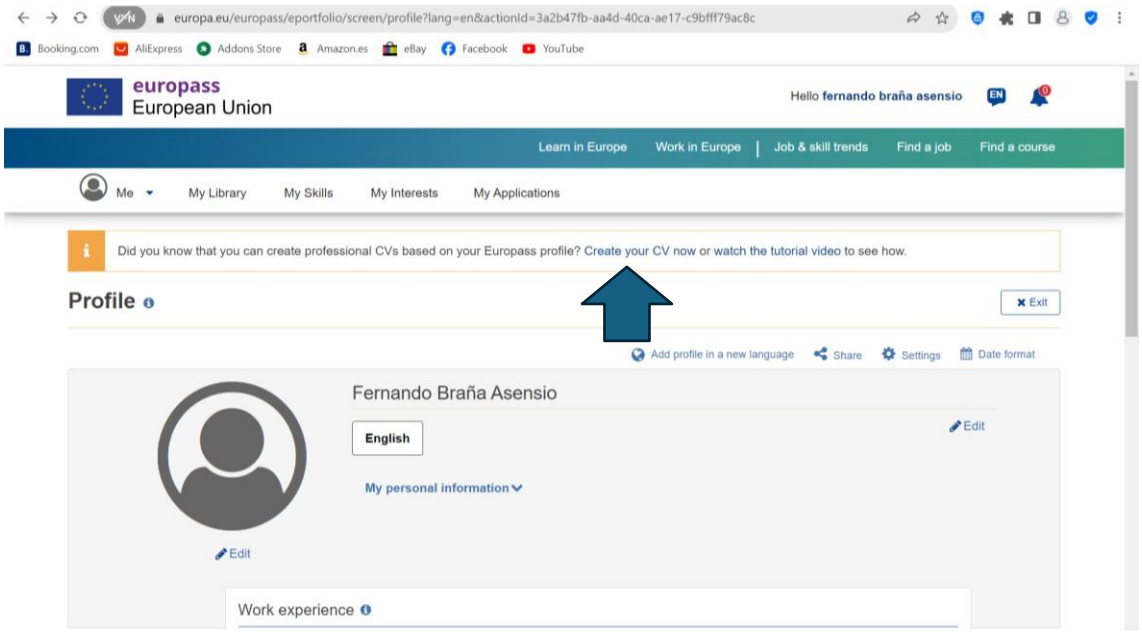
10.- Change language into English (EN) in case it is in Spanish and click on "Create my Profile"



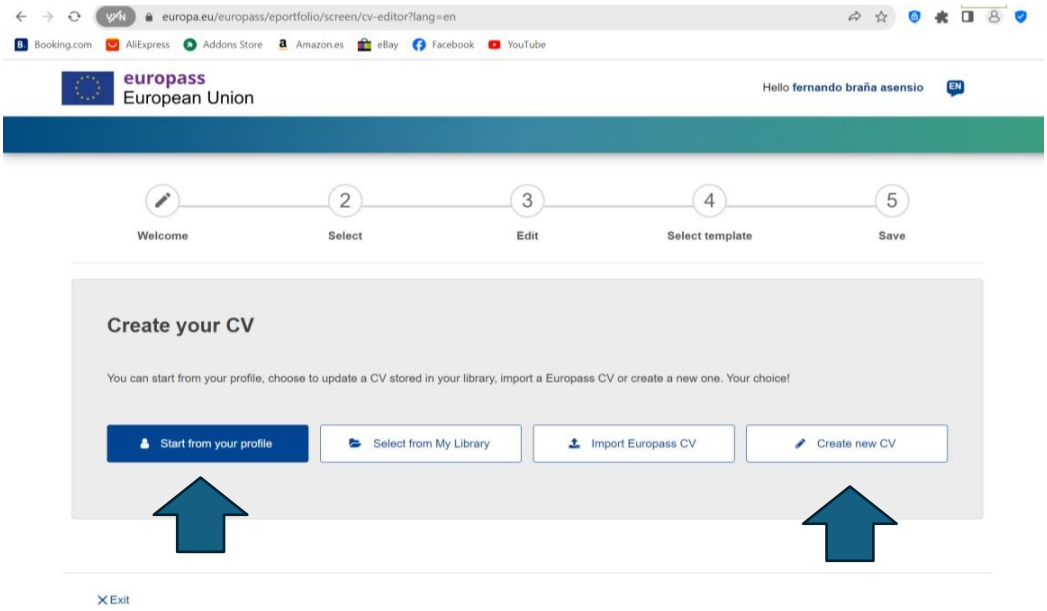
11.- Create your profile



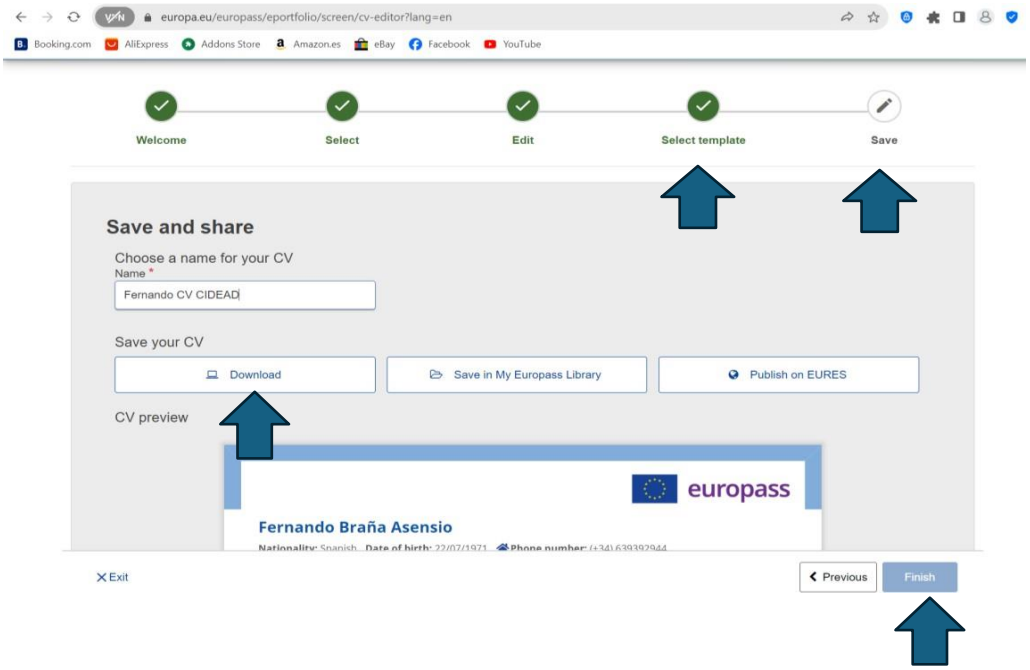
12.- Once your profile has been created, click on “Create your CV now”



13.- You can create your CV from “Start from your profile” or “Create new CV”



14.- Follow the steps to create your CV. In Step number 4, Select a template of your preference. In Step number 5 you will find this



15.- Download a PDF. Click “Finish”. Save it in your Computer (you will need it later on to send the task) . You can also Save it in My Europass Library or even Publish on EURES for your own, personal use)

NOW YOU ARE GOING TO CREATE A COVER LETTER

You will have to write a cover letter to 1 of these companies.

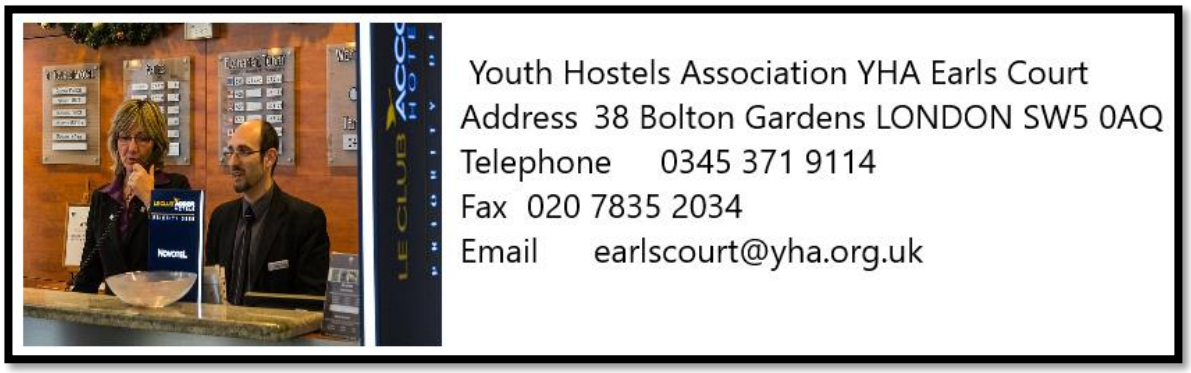
https://www.nchpad.org/Directories/Equipment/1906/Microsoft~Corporation

or



https://www.rbkc.gov.uk/contactsdirector

www.piqsels.com

You must write asking for a PERIOD OF WORK EXPERIENCE. You should mention the following points and any other relevant information you may find useful

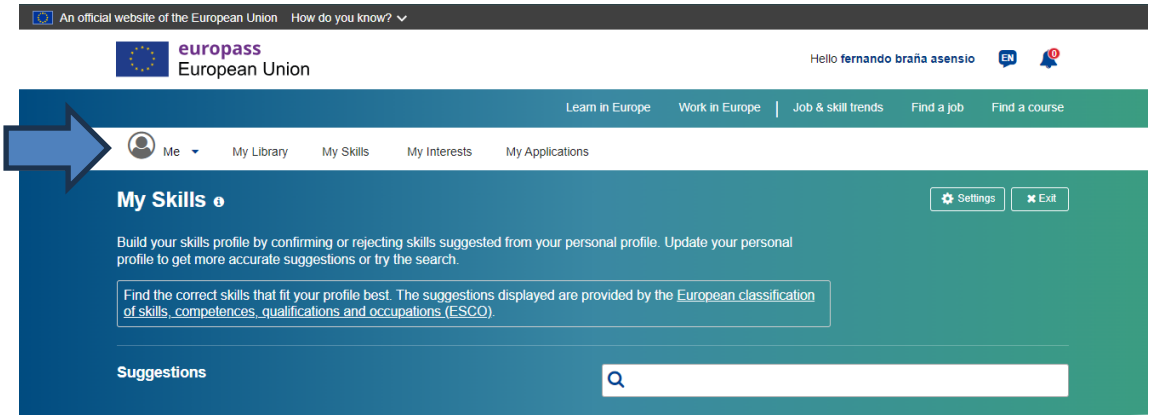
- Your experience with this kind of work/your training
- Your qualifications
- Your interests
- Your reason(s) for applying for a period of work experience
- Your reasons for wanting to work in another country
- Why you are the perfect candidate
- Other pieces of relevant information

Once you have chosen the company, follow these steps to create your cover letter with EUROPASS

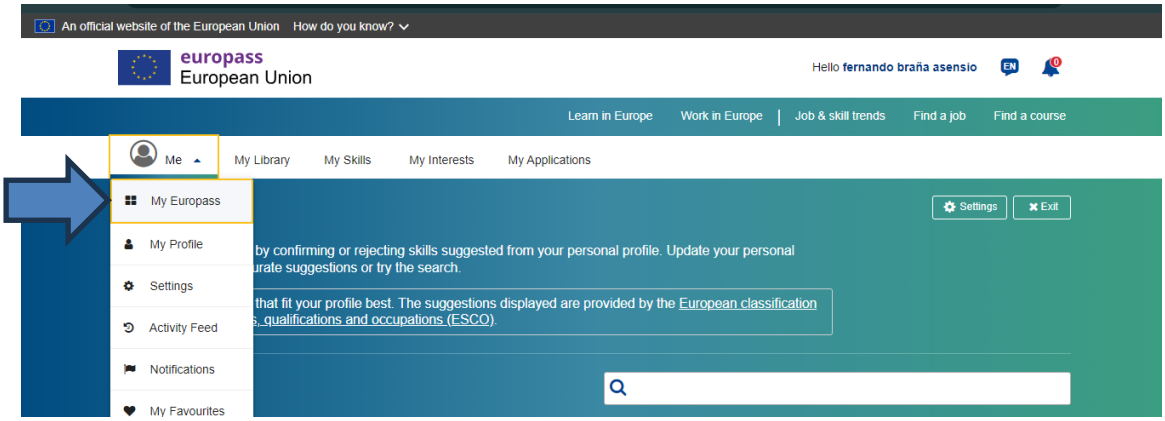
STEPS TO CREATE A COVER LETTER

1.- Login to your Europass account (in case you have logged out)

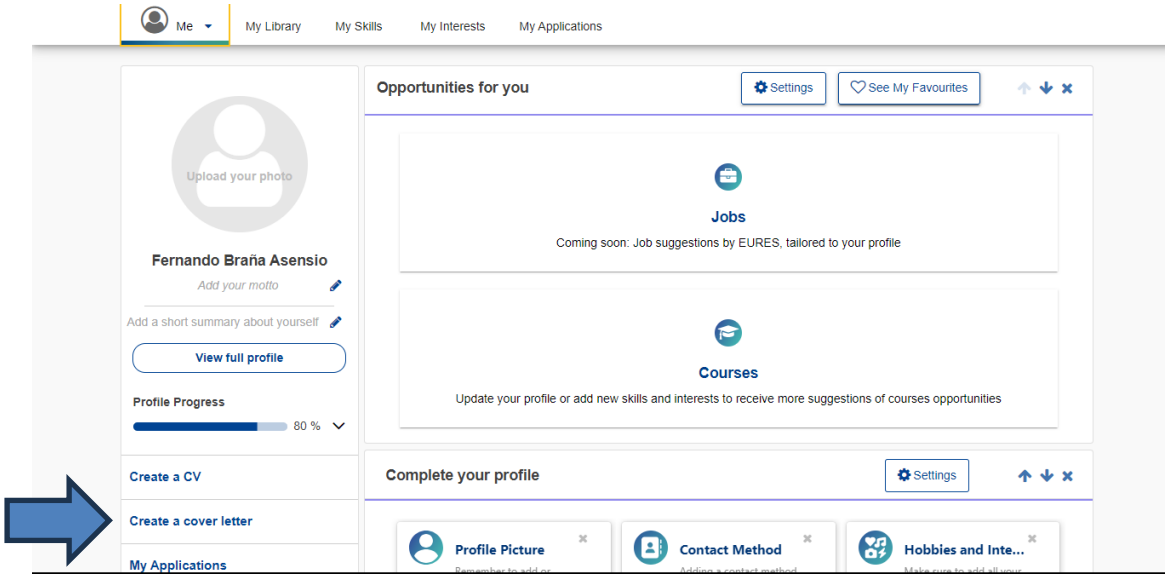
2.-Go to “Me” and click on it



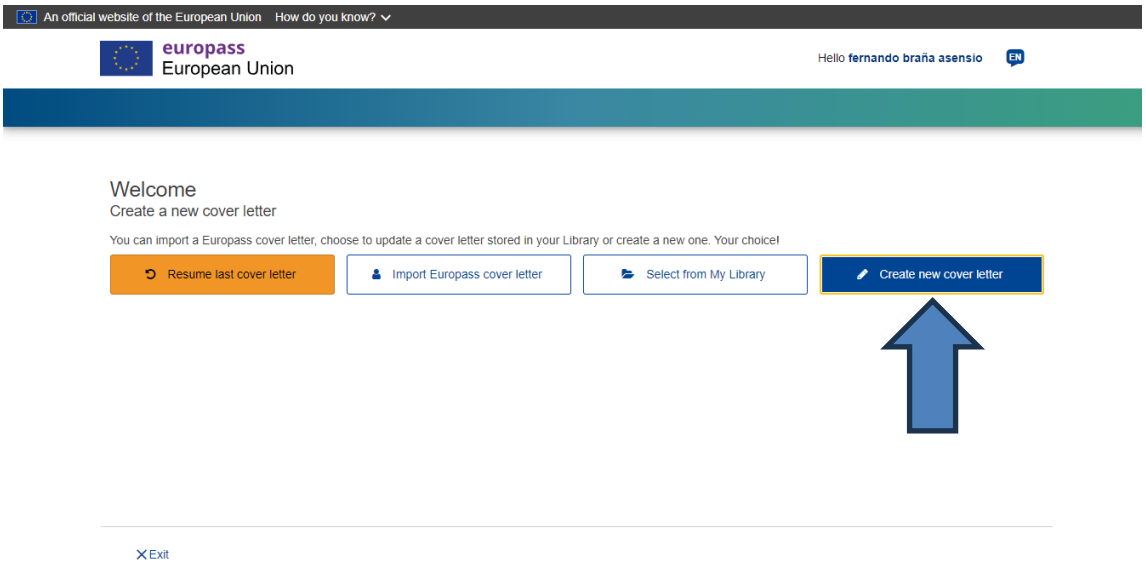
3.- Then, click on “My Europass”



4.- Then, go to “Create a cover letter”

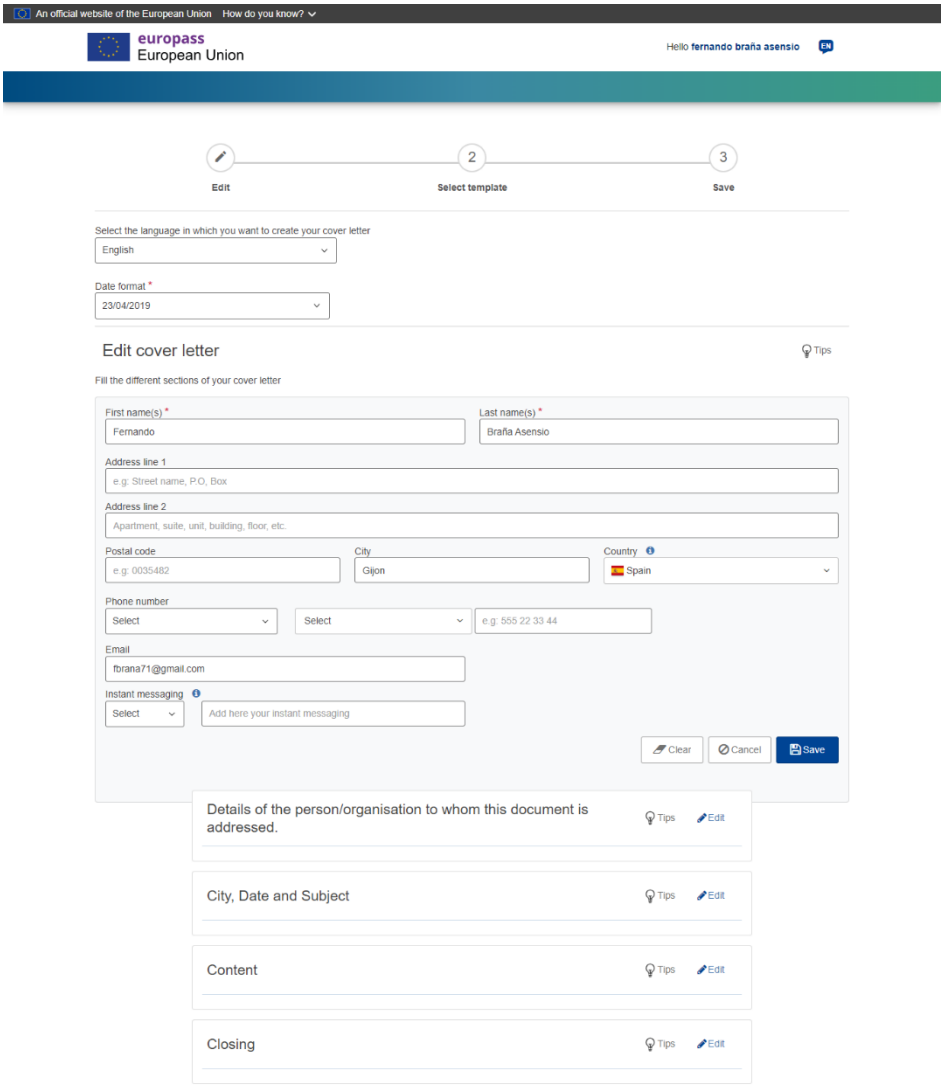


5.- Then “Create a new Cover letter”

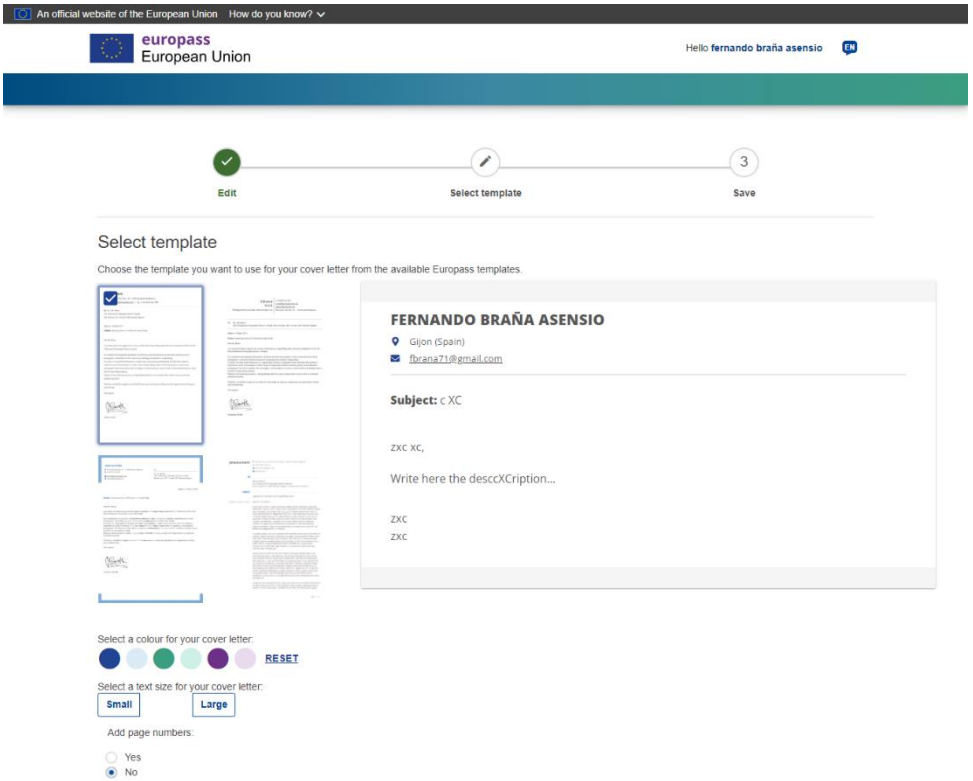


6.- Follow the steps

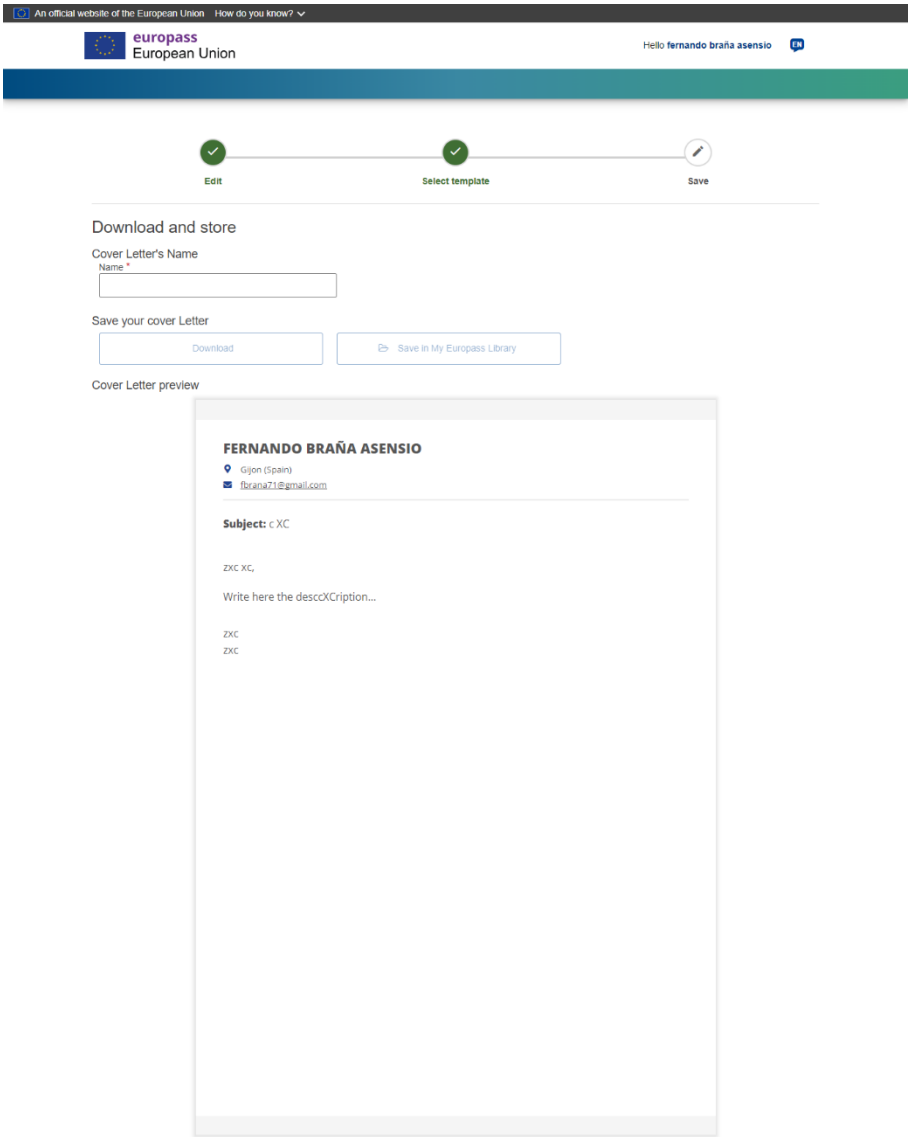
1.- Edit cover letter (Save data when you have finished)



2.- Select template



3.- Save it in your computer (and on your Europass Profile)



4.- Check if all the contact details of the company and if you have included all the information in the cover letter. Revise grammar, formal conventions, etc

5.- Send both documents (CV and Cover Letter) to your Teacher.
